**How to Update a Game on the CUMRC Website**

1. **Go to** www.cumrc.com/wp-admin and enter your username and password to log in.
2. **Once logged in**, look on the left-hand side of the admin dashboard. Click on **"Games"** and then select **"All Games"** from the dropdown.
3. **From the list of games**, choose the one you want to edit.
4. **Scroll down** to the section with the fields for:
    a. Home Team Logo
    b. Home Team
    c. Home Score
    d. Away Team Logo
    e. Away Team
    f. Away Score

Update these fields as needed.

5. **For the Watch Link**, update the fields (if required):
    a. Watch Link English
    b. Watch Link French
6. **Click "Save"** once all updates are complete.
7. **Click the CUMRC logo** in the top left to go back to All Games
